

Prayer for My Children

Dear Father,

The world's present state could cause me to fear for my children's well-being. Instead, I choose to trust You, believing that Your love for them surpasses human understanding. I commit them to You, trusting You to hear and answer my prayers on their behalf.

Please grant my children the desire to please You in every aspect of their lives:

Friendships
Conversations
Entertainment
Career
Life partner

Develop in them character qualities that reflect You:

Love
Wisdom
Holiness
Truthfulness
Humility

Teach them attitudes and values in accordance with Your Word:

Integrity
Moral purity
Generosity
Servanthood
A hunger for righteousness rather than for wealth or fame

Fulfill Your promises to them as they seek to honor You:

Satisfy their spiritual hunger
Make them shine as lights in the darkness
Give them peace and add years of life
Grant them favor and a good reputation in Your sight and the sight of man
Cause their lives to prosper and bear fruit

Hear my prayer, O God, and grant my children the desire to...

Know You
Obey You
Praise You
Cling to You
And love You, because You loved them first.

In Jesus' name, amen.
